NOTES:

We are guests of the Inn who allow us to use their property. All they ask, apart from not burning any buildings down and/or disrupting the guests dining, is that we clean up after ourselves. We ask that all participants do their best to pocket and police their spent cartridges. Don't be surprised if participants are called upon to sweep the field after engagements. As guests of the Wayside Inn, we should leave the property as we found it, if not better.

The 10:00 private tactical is meant to be just that; **private and for reenactors only**. Please do not post, blast, email, announce anything about it to the public. There is nowhere for them to safely watch, and any spectators could disrupt our fun. Tell the public to show up a little before 11:00 am.

The Wayside Inn has graciously offered to serve reenactors, distaff, musicians, volunteers, sutlers, demonstrators a beef stew lunch. Please be respectful of others and let all get some before heading back for more. Don't forget a bowl and appropriate utensil(s). If you have allergies, don't like stew or want to supplement, please plan to bring your own food.

Should you not be able to attend, or if you have questions about this order, contact your Company Serjeant as soon as possible.
